**Repeal Breed-Specific Legislation (“BSL”) in Ontario NOW!** Article 2(g) of your Party constitution states “We believe that social justice entails equality of opportunity, including fair and equal treatment for all Ontarians and the provision of support to those in need.” Ontario residents want Responsible Dog Ownership bylaws in their communities, modeling those of Calgary, Alberta. Responsible dog owners do not want their dogs profiled, nor do they wish to continue to be treated like second class citizens. BSL is regressive, discriminatory legislation and a global failure on all levels. Remove the breed-specific portions of Ontario’s Dog Owners’ Liability Act **TODAY.**
